Industry Sited within the Environment: An exhibition of 3D works by **Margaret Worthington**, aerial photographs by **Allan Andrew** and fabrication by **Clive Rouse**.

Inspired by her Queensland Alumina Limited (QAL) project, artist Margaret Worthington collaborated with Marion Hayes, Director Rainbow Valley Early Learning Centre to develop a program of interactive activities for pre-school children, in conjunction with exhibition.

A *Childs View* digital book details the project and is available to local education providers.

The project engaged a wide demographic with the innovative work and high level of fabrication and presentation.
