PAST PRESENT FUTURE

#21stcenturyart-making

From the early 1970's works by cutting edge experimental art makers through to the current crop of digital artists, these works push into the realms of moving images, stills, sounds and digital imagery - highlighting making art through film, both video and digital, and the manipulation of it. Supported by the Lake Awoonga Dam Alliance's Lake Awoonga *Immersion Fund* and Stage & Audio, Event Solutions

Master Class: A FREE workshop in moving image as art medium is planned for 28, 29 & 30 March, tutored by nationally recognised new media artists, David M. Thomas & Suzanne Howard. More details online. #limitedspaces #booknow #professionaldevelopment
