

WE'LL BE
READY
FOR IT
NEXT TIME

19 December 2014
- 28 February 2015

“When floods come and then recede, as happened in the Gladstone Region in 2012, there is often a proliferation of real estate signs with people just wanting to sell up and move on.

Others use whatever resources they have to rebuild their lives.

This exhibition is a celebration of the people who will be ready for it next time!”

- Rosemary Anderson
