

ARE YOU INTERESTED IN DIGITAL MEDIA?

Are you aged 12 to 17 and interested in film making, audio recording, interviewing, digital media, journalism, reading or documentaries?

Brisbane Writers Festival and *Human Ventures* want you to be involved in a great project that is taking place in Gladstone during the school holidays. The project is taking place from the **7th to the 11th of July**.

Participants will learn how to film and record interviews and be part of a youth-lead research project about reading that will benefit the region.

To get involved please send your full name, age, contact details and a bit about yourself to pauline@human.org.au or call **(07) 3012 8531**.
