ANIMATING SPACES GLADSTONE FROLIC

3pm - 9pm Saturday, 27 September 2014

Gladstone Aquatic Centre
Gladstone Tennis & Squash Centre

An initiative of Artslink Queensland *Animating Spaces* is a state-wide multi-arts initiative, which will revitalise and celebrate significant or unusual spaces within regional communities through locally driven arts activities and events.

WELCOME

Animating Spaces Gladstone Frolic
Community Coordinator Belynda (Bindi) Waugh

Animating Spaces Gladstone Frolic is a community-led, multi-arts extravaganza celebrating the arts as a vital element of the Gladstone Region.

In collaboration with more than 50 local artists, businesses and industry, the event will highlight the enormous depth of creative talent in the Gladstone Region, providing a transformative and memorable occasion for audiences.

Follow the story of Frolic, a daughter of industry created by local artist Jenny Fournier, as she ventures across the region exploring the vast diversity of the region's landscape, people and environment. You may have spotted her nuts-and-bolts form at various locations already, but take the time to really get to know this place in which we live as you join in

the Frolic game, picking up pieces of the Frolic puzzle, for a chance to win her heart as well as other cool prizes, such as Aquatic Centre single passes. One lucky Frolic game winner will receive a 2014/2015 Summer Pass to the Gladstone Aquatic Centre.

Culminating in the FREE community arts event at the Gladstone Aquatic Centre precinct, where you'll discover just how strong the arts beat in the heart of the community. *Animating Spaces Gladstone Frolic* is a not-to-be-missed opportunity to engage with the arts and cultivate new experiences.

The transformation of the grassy knoll at the Aquatic Centre includes a dynamic public art mosaic created by Janie Petersen in collaboration with community groups. Funky gabion seating surrounds the artwork, creating a dramatic stage for poets, musicians and theatrics.

Join Janie Petersen to contribute to an ephemeral chalk mandala, meet Frolic and her creator, Jenny Fournier while you create a friend for Frolic from recycled materials. Join Felicia Lloyd for a Sungram workshop, creating art with photographic paper. Bookings required, on the day.
