

Artist Windows - Pop Up Public Art

Celebrating the International Year of Light

Installations showcased early December to late January 2016

To celebrate the '2015 International Year of Light and Light-based Technologies', local artists have collaborated to create a series of artist windows, displayed in 16 Gladstone Regional Council venues across the region for everyone to enjoy.

The project is supported by the Gladstone Region Regional Arts Development Fund (RADF), a Queensland Government and Gladstone Regional Council partnership to support local arts and culture. The Gallery & Museum is a community cultural initiative of the Gladstone Regional Council.

"Artist windows have a long tradition within the cultural community. From Salvador Dali in 1939 and Sidney Nolan's early years with Abbotsford's Fayrefield Hats, through to more recent times where Japanese artist Takashi Murakami has created artist windows for Louis Vuitton." - JO DUKE, CURATOR, GLADSTONE REGIONAL ART GALLERY & MUSEUM
