

Wearable Art

Another corner of my mind

Works by Beryl Wood

Award-winning artist, Beryl Wood, combines her love of art and fashion to present seventeen wearable-art garments.

With a background in theatre and a fascination in dramatic costumes, Beryl has created works of art with wearability in mind. Playfully inspired by the world around us, each garment's individual theme is represented through her method of making and fabric choice. From recycled objects, to brightly coloured textiles, this whimsical exhibition invites audiences into yet another corner of Beryl's mind.

Exhibition dates: 4 February - 29 April 2017

Exhibition launch: 6pm, Friday 3 March 2017
