

ACTIVITY BOOK

Let's see how you go?

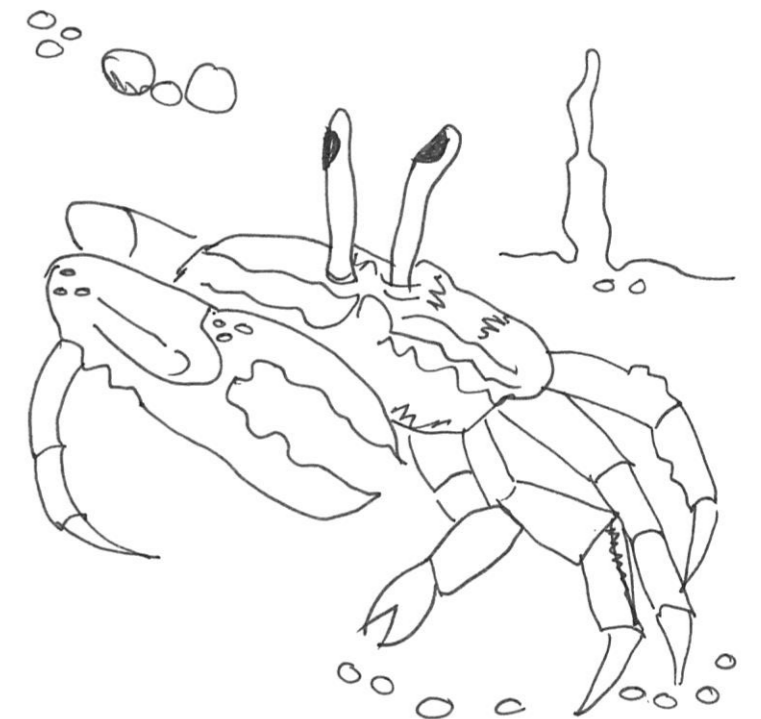

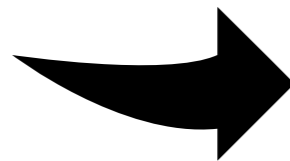

Have fun finding, colouring and drawing.

FRAGILE
BALANCE

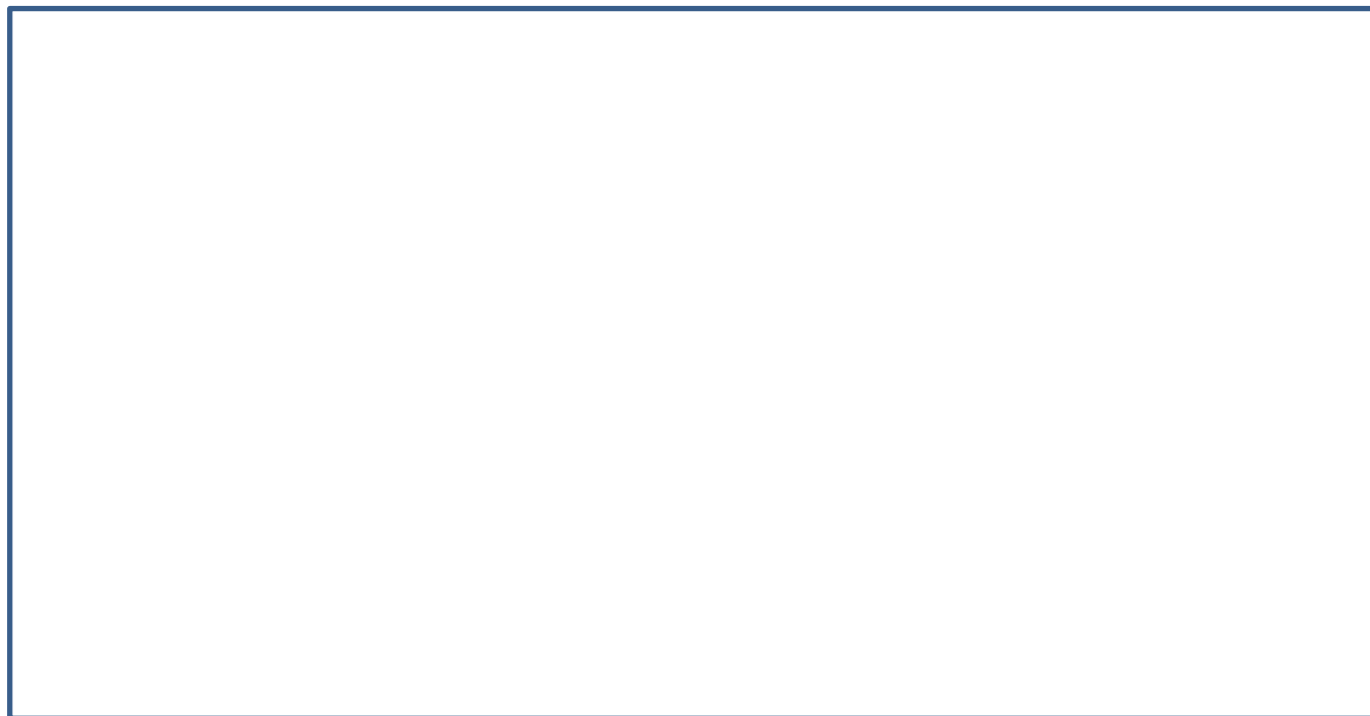

***Colour in the crabs so they are
happy and healthy...***

How many seed pods can you find in the painting *Seeds*, and what colours are they?

There is another painting by the same artist, *Rosemary Anderson*, which also features seed pods – what is this painting called?

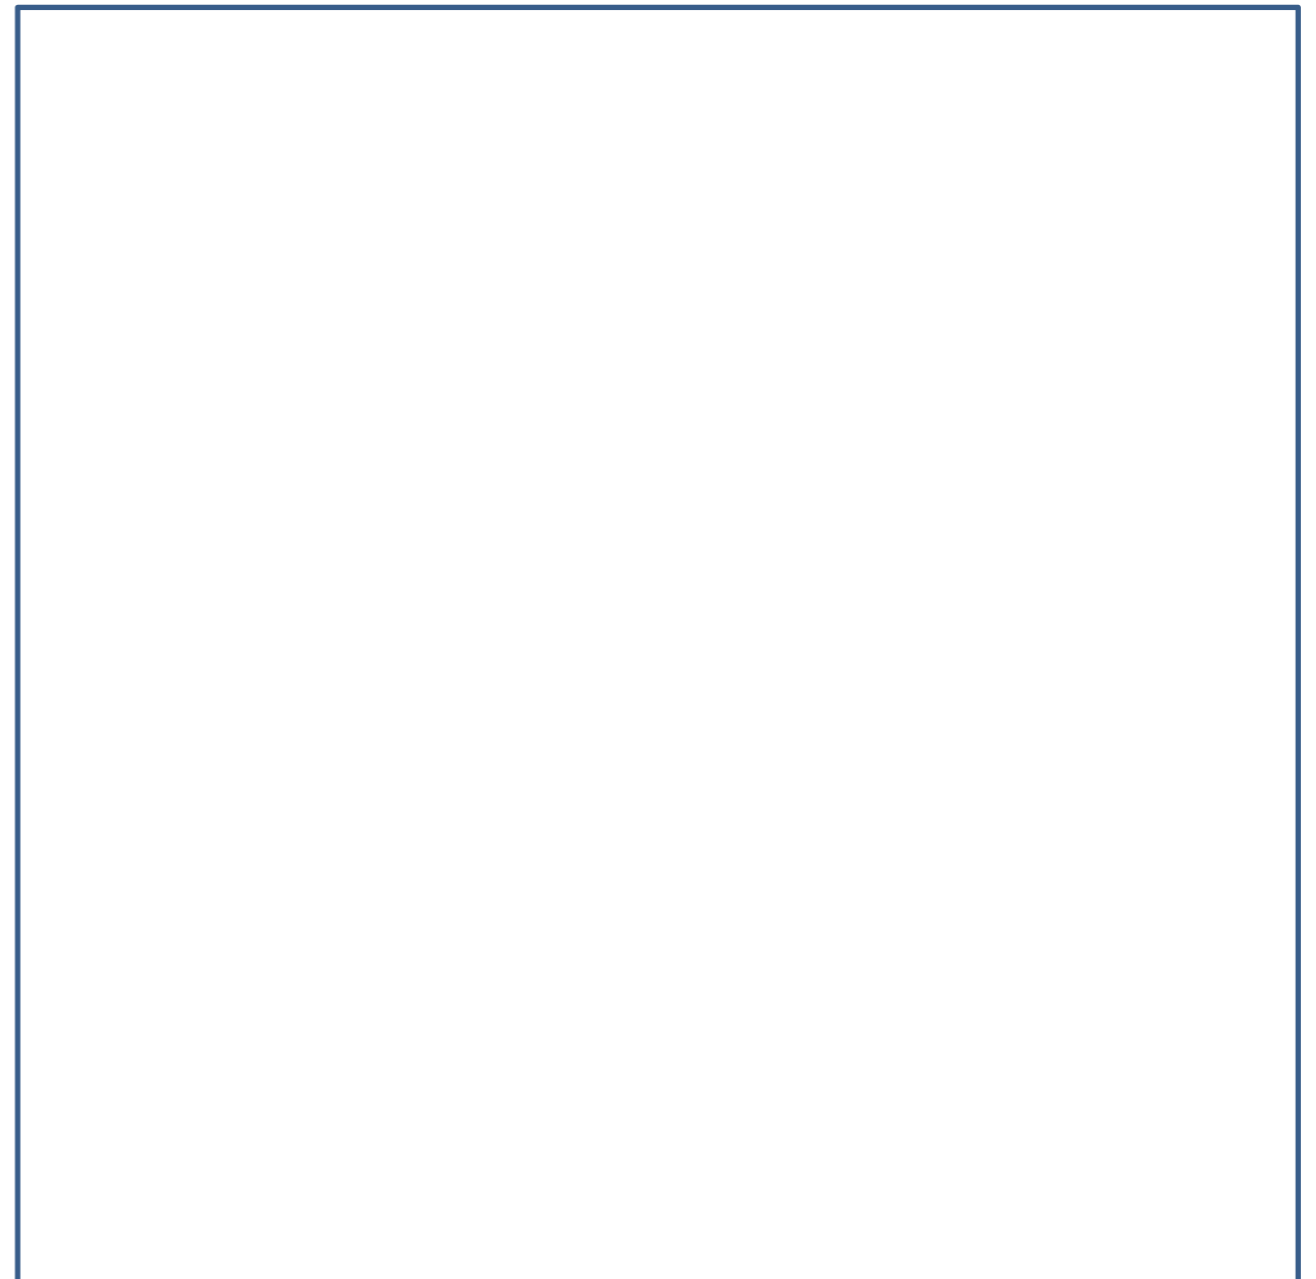

Draw some trees that you think might drop the seed pods.

The Turtle is the animal featured in the painting *Fragile*, by artist *Jeanette Albury*. Do your own picture of a turtle then

draw or list any objects you consider to be a threat to the turtle and his environment.

Hint: These harmful objects are man-made and put into the sea by people who don't think about how their rubbish can affect our oceans and wildlife.

Mangrove Poster Quiz

Hint: you could google these...
