FREE FAMILY FUN!

Join Pong Pongan, the hermit crab and Kids' APT7 mascot, for exciting things to see and do when Kids' APT7 on Tour visits your local venue. With free activities designed by artists in 'The 7th Asia Pacific Triennial of Contemporary Art', an exhibition on display at the Queensland Art Gallery | Gallery of Modern Art in Brisbane, there is something creative for everyone — so come along and join the fun!

Daniel Boyd (Australia)
History is made at night 2012

Daniel Boyd uses the 'dot' as a lens for viewing the world. For Kids' APT7 on Tour, Boyd has created a multimedia interactive that allows players to reveal information about a hidden image via screens of dots.

Parastou Forouhar (Iran/Germany)
Persian for kids 2012

Parastou Forouhar presents an activity for children and families that uses the script of the Farsi language. Children are invited to create their own zoomorphic image — an animal form shaped from Farsi lettering.

Uji Handoko Eko Saputro (aka Hahan) (Indonesia)
Memento masko 2012

Inspired by mask-making traditions from Indonesia, Hahan has created a series of black-and-white masks for children to complete by drawing their own facial expressions.

Rosliah Ismail (aka Ise) (Malaysia)
Sira pisang (Glazed banana) 2012

For Kids' APT7 on Tour, children can illustrate their favourite meal on a specially designed placemat. Children will also receive a traditional Malaysian recipe, beautifully illustrated by the artist, which they can then cook and share at home.

Tromarama (Indonesia)
Wattt?! 2010

The imaginary after-dark activities of lamps take centre stage in the playful film *Wattt?!*. Set in a typical living room, a desk lamp is supported by a cast of coloured lights in this fun stop-motion animation.

Kids' APT7 on Tour is an engaging program of activities for children and families by contemporary Australian, Asian and Pacific artists, held in conjunction with 'The 7th Asia Pacific Triennial of Contemporary Art' (APT7), on display at the Gallery of Modern Art and Queensland Art Gallery, Brisbane, until 14 April 2013.
