

ACO
VIRTUAL

ACO VIRTUAL offers a memorable experience to anyone who loves music, visual art or technology. Imagine standing on stage surrounded by the Australian Chamber Orchestra's virtuoso musicians, feeling the energy of Artistic Director Richard Tognetti playing his priceless Guarneri del Gesù violin... ACO VIRTUAL takes you there!

Fusing digital technologies with visual and sonic innovation, this ground-breaking 30 minute interactive installation allows you to conduct and even play with the ACO.

- Take the helm of the 'GREATEST CHAMBER ORCHESTRA ON EARTH'
- HEAR the sounds of each instrument whirl around you
- EXPERIENCE what the cellos sound like on their own, or the violas or the double bass
- FOLLOW ALONG with the projected musical score
- SEE how fast the musicians' fingers move
- Bring your own instrument and PLAY ALONG with the installation

Join Cr Gail Sellers, Mayor of Gladstone Region, for the official exhibition opening 6pm, Monday 27 July 2015. Light refreshments served, RSVP by 5pm, 22 July 2015.
