James Cook

SECTION TWO

Watercolour, felt pen and pencil

This artwork is about how James Cook discovered Australia and claimed it for the British Government. During the trip he saw lots of unique and beautiful native animals.

Gladstone West State School

Australian Emu

SECTION TWO

Watercolour, pen and pencil

Emus are large flightless birds native to Australia that belong to a primitive group of birds known as ratities. The bird is found throughout Australia, although it does avoid cities.
