

Camerata of St. John's Chamber Orchestra Workshop Monday 25 July, 2011

Queensland Music Festival in conjunction with The Gladstone Arts Council are pleased to announce Queensland's leading chamber orchestra - Camerata of St. John's is presenting a FREE ensemble workshop for Gladstone region's high school students.

This workshop takes place a day after the free outdoor concert *Classic Country* on Sunday 24 July at the Gladstone Ports Corporation Marina Stage featuring Melinda Schneider, Graeme Connors, Catherine Britt and Adam Harvey and Camerata of St. John's.

The 70 minute workshop is tailored for string instrumental programs and students will be given a rare opportunity to rehearse two pieces and play side by side with the renowned 17 piece chamber orchestra.

The workshop will conclude with a one hour discussion style concert which is open to the wider community at 11am on Monday 25 July. The concert will include performances by the workshop students alongside the Camerata of St. John's Chamber Orchestra.

Camerata of St. John's is renowned for its adventurous, fresh and youthful performance style. Its workshops have been presented with great success in Ayr, Townsville, Rockhampton, Emerald, Longreach, Charleville and Roma. Camerata's players are involved in music education in an ongoing basis. Several members of the orchestra hold music teaching posts in Brisbane and are involved in Education Queensland's MOST and Fanfare programs.

This is a superb educational opportunity not to be missed! Numbers for the workshop are limited.
Bookings are essential.
