STUDENTS & LEADING ORCHESTRA UNITE! CAMERATA OF ST. JOHN'S CHAMBER ORCHESTRA CONCERT

Queensland Music Festival is pleased to announce Queensland's leading chamber orchestra - Camerata of St. John's is presenting a FREE discussion style concert for Gladstone's musical community at Trinity College at 11am on Monday 25th July.

The one hour concert by the 17 piece chamber orchestra will follow on from workshops with local strings students who will then come together with Camerata to perform two pieces for the community. The concert aims to introduce string and classical music in all its diversity, including a variety of styles of music, as well as instruments.

This performance takes place a day after the free outdoor concert *Classic Country* on Sunday 24 July at the Gladstone Ports Corporation Marina Stage featuring Melinda Schneider, Graeme Connors, Catherine Britt and Adam Harvey and Camerata of St. John's.

Camerata of St. John's has been enriching Queensland's cultural life since 2005, with innovative musicianship of the highest quality. The group is renowned for its adventurous, fresh and youthful performance style and has presented workshops with great success in Ayr, Townsville, Rockhampton, Emerald, Longreach, Charleville and Roma.

Camerata's players are involved in music education in an ongoing basis. Several members of the orchestra hold music teaching posts in Brisbane and are involved in Education Queensland's MOST and Fanfare programs.

This is a fantastic opportunity to see a superb orchestra and local Gladstone students unite for one free concert, not to be missed!

Numbers for the concert are limited and **bookings are essential.**

Date: Monday 25th July 2011

Times: 11am – 12 noon (open to the public)
