

Bimblebox

153 Birds

Bimblebox 153 Birds is an installation of artist prints, poetry, prose and musicians' birdcalls by over 450 people worldwide who have been inspired by the birdlife of the Bimblebox Nature Refuge. It's our story of our birds, how we experience them and sadly, how we could lose them. The Bimblebox Nature Refuge is threatened by coal mining.

Seedhead
Holistic Graphic Design

Bimblebox 153 Birds is supported by Creative Partnerships Australia through the Australian Cultural Fund. This Project is also supported by The Bimblebox Alliance, Museums & Galleries Queensland and proudly sponsored by Seedhead Holistic Graphic Design and Quill Studios.
