

Overwintering

Overwintering artists' book produced by Firestation Print Studio and Migaloo Press, 2018.

Overwintering is an artists' book produced by Firestation Print Studio, Melbourne and Migaloo Press, Brisbane, which comprises thirty-two artists' prints created in 2018. The organisers, Edith May, Jennifer Stuerzl and Sue Poggioli worked together to produce a book that features images of a wide range of migratory birds and the habitats they need for their survival. *Overwintering* is an independent project in association with Kate Gorringer-Smith's *The Overwintering Project - Mapping Sanctuary*, which aims to raise awareness of migratory shorebirds to help preserve these extraordinary creatures.
