Gladstone Regional Council (GRC) is inviting applications from artists and curators to exhibit at the Gladstone Regional Art Gallery & Museum (GRAGM) as part of the 2025 and 2026 exhibitions seasons.

GRAGM is committed to fostering the growth and development of our local regional artists. As part of this commitment, GRAGM reserves space in the annual exhibition calendar each year to procure exhibitions from local artists.

There are two spaces of differing size for exhibiting at GRAGM, the Gail Sellers Community Gallery and the Town Hall Gallery. Details of each space can be found in Attachment 1.

Preference will be given to Gladstone region artists, Central Queensland artists and artists from other remote and regional areas.

The Gail Sellers Community Gallery and the Town Hall Gallery Exhibition Programs provide an opportunity for artists, creatives, and curators to submit proposals for prepared exhibitions or developed concepts that highlight new work of relevance to the region. The Town Hall exhibition space is for larger exhibitions or exhibitions with larger items.

A conforming response will be required to include, at a minimum:

- artist biography (for assessment and which can be used for possible marketing activities)
- concept proposal this must be detailed and complete in the Exhibition Statement section of the Application Form
- size of exhibition and proposed layout
- previous examples of work

Submissions that do not have a complete concept proposal, size, artist biography and previous examples of work will not be considered.

GRAGM will pay an exhibition fee to the artist/exhibitor, dependent on size and space of the exhibition. Exhibition payments are offered as per below:

Gallery Space	Payment
Half Town Hall	\$1750
Full Town Hall	\$2750
Gail Sellers Community Gallery	\$1500

Fees paid are inclusive of:

- exhibition fee
- artist talk

Optional public programs including workshops and activities, and their associated fees may be negotiated with successful applicants. The inclusion of public program elements for an additional fee is at the sole discretion of the Curator.

Whilst artists/exhibitors can nominate a preferred exhibition size, space and date, the Curator will make a final decision based on availability, season, and other programming considerations.

Selected proposals will also receive professional support from Gallery and Museum staff. Exhibition transport is the responsibility of the artist/exhibitor.

### Safety Requirements

It is the artist/exhibitor's responsibility to ensure that their activities adhere to all legislative health and safety requirements and, as applicable:

- provide evidence of Public Liability Insurance for at least \$20,000,000 per claim and Workers Compensation Insurance or Personal Accident Insurance for Artist and any Artist personnel
- Safe Work Method Statement/s and risk assessment specific to project to be provided prior to work commencing
- work with the GRC team to ensure public art elements are safe, appropriate, and approved by relevant authorities.

### **Environmental Responsibilities**

It is the artist/exhibitor's responsibility to ensure that their activities adhere to all legislative environmental requirements where applicable. GRC encourages best-practice environmental management, such as waste-reducing project methodology, and inclusion of sustainably sourced materials (e.g., recycled products) where feasible.

### **Community Engagement**

GRAGM will require successful artists/exhibitors to be involved in various engagement activities for the purpose of community engagement, marketing, and promotion. This may include interviews, articles, media releases, social media, advertisements, workshops, and activities.

#### **Exhibition Installation/De-installation**

GRAGM will be responsible for the installation and de-installation of exhibitions, except where prior arrangements have been made.

# Timeline of Activities

#### Artist/Exhibitor call out: 28 May – 31 August 2024

The deadline for submission may be extended at the sole discretion of GRAGM. Any extension notice will be given the same distribution as the original EOI Call Out.
