

McPHERSON, Duncan

On 4 August 1915, Duncan McPherson was one of a number of men from the Gladstone Queensland region to go to Enoggera, Brisbane, Queensland for enlistment.

Although a small file exists for a Duncan McPherson on National Archives of Australia website (www.naa.gov.au) it has very little information. No other trace of service of Duncan McPherson has been found to this date.

Service Record: [View digital copy \(naa.gov.au\)](#)
