1. Regional Arts Development Fund (RADF) Purpose

The Regional Arts Development Fund (RADF) is a partnership between the Queensland Government, Arts Queensland (AQ) and Gladstone Regional Council (Council) to support local arts and culture in regional Queensland.

The purpose of the Regional Art Development fund is to support the creation, promotion, and accessibility of arts and cultural activities, that reflect strong alignment with the identified local priorities. The fund supports local artists, performing arts, and cultural organisations, and encourages community connection opportunities supporting development in the arts sector.

By investing in local arts and cultural priorities, RADF promotes the value of arts, culture and heritage as key drivers of social change and strong, diverse and inclusive regional communities. RADF is a flexible fund, enabling local councils to tailor RADF programs and funding priorities to suit the needs of their communities.

Council's RADF Program operates through the Gladstone Regional Art Gallery and Museum (GRAGM) with the support of the RADF Committee.

2. Arts Queensland RADF Objectives

Arts Queensland's RADF Objectives are to support arts and cultural activities across Queensland that:

The role of the Gladstone Regional Council RADF Committee is to support Council with the administration program by providing independent assessment and recommendations on grant submissions received under the program. The Committee will consist of a diverse group of individuals with experience, expertise, and/or demonstrated interest in the arts and culture sector. Membership shall reflect the geographic, cultural and artistic diversity of the Gladstone Region. All members must comply with the Code of Conduct and Terms of Reference, and attend necessary training.
