

JAMILAH HAJI

HAPPINESS AND WISHES

About the Artist

Jamilah Haji is an artist from Narathiwat, a southern province of Thailand. As a child, Jamilah practised sewing with her mother and her neighbours. Today, she uses a needle and thread to create artworks on fabric through a technique called embroidery.

As a person with a hand difference, Jamilah is passionate about providing creative opportunities for people with disability.

In her work, the artist often collaborates with children with disability, incorporating their drawings into her embroidery pieces.

As part of APT10 Kids on Tour, Jamilah would like children of all abilities to think about what makes them happy and what they wish for.
